### Michael Jordan Chairman

An NBA legend, Michael Jordan was inducted into the Naismith Memorial Basketball Hall of Fame in September 2009. As a player, Jordan virtually rewrote the record book. He played 13 seasons for the Chicago Bulls, leading the league in scoring a record 10 times. His 30.1 points per game average is the highest in NBA history and, with 32,292 points, he ranks third on the all-time scoring list. Jordan led the Chicago Bulls to six NBA Championship titles and was named NBA Finals MVP during each of those series. A five-time regular season MVP, in 1991 and 1992, he became the only player to win back-to-back regular season and Finals MVP awards.

In March 2010, Jordan became the majority owner of the Charlotte Bobcats, after four years as part of the team’s ownership group and its Managing Member of Basketball Operations. Jordan is the first former player to become the majority owner of an NBA franchise.

Jordan burst onto the national stage as a freshman at the University of North Carolina, leading his team to the NCAA Championship with a dramatic game-winning shot. Following a stellar college career during which he was a two-time College Player of the Year and first team All-America, Jordan was chosen with the third pick of the 1984 NBA Draft. Jordan is a two-time Olympic Gold Medal winner, most famously as a member of the 1992’s “Dream Team.”

After a brief stint as an owner and executive with the Washington Wizards in 2000-01, Jordan returned to the court as a player for the team for the 2001-02 and 2002-03 seasons before retiring.

Off the court, Michael Jordan has also proven to be a successful businessman. Since its creation, his Jordan Brand (a division of NIKE) has been an innovator of athletic shoes and apparel. The Jordan Brand has grown to become a market leader under Jordan’s creative design input. As one of the world’s most popular and recognizable figures, Jordan’s endorsement portfolio includes Gatorade, Upper Deck and Hanes, among others. In 2004, Jordan formed Michael Jordan Motorsports as a result of his passion for motorcycle racing. Among Jordan’s other Jordan’s business ventures are several thriving restaurants.

Jordan serves as the Make-A-Wish Foundation’s Chief Wish Ambassador and supports many other charitable causes including the James R. Jordan Boys and Girls Club in Chicago and the Jordan Institute for Families at the University of North Carolina, among others. His annual Michael Jordan Celebrity Invitational golf tournament has raised nearly \$6 million for several worthy charities since its inception.

### Fred A. Whitfield President & Chief Operating Officer

A talented sports executive with experience as a player, coach, agent, sports marketer and basketball operations administrator, Fred Whitfield was named President and Chief Operating Officer of Bobcats Sports & Entertainment in July 2006. In this role, Whitfield oversees all business operations for the Charlotte Bobcats and Time Warner Cable Arena.

Since coming to Charlotte, Whitfield has overseen the most dramatic growth in both franchise and arena history. From simultaneously signing an arena naming rights deal with Time Warner Cable and a television broadcast rights deal with Fox Sports, to doubling the number of corporate partners and launching the Cats Care community initiative with the largest donation ever made to Charlotte Mecklenburg Schools by a professional sports franchise, Whitfield has presided over a significant increase in every business metric the company keeps. He is also responsible for positioning Time Warner Cable Arena as the premiere destination for sports

and entertainment in the Carolinas, attracting the CIAA, ACC and NCAA Tournaments, global concert tours like Paul McCartney, who made Charlotte one of just 11 stops in North America, and the 2012 Democratic National Convention.

A native of Greensboro, North Carolina, Whitfield brings a portfolio that includes the Jordan Brand, a division of Nike, Inc.; the Washington Wizards; Nike Basketball; Falk Associates Management Enterprises (F.A.M.E.); and a private law practice.

Before joining the Bobcats, Whitfield most recently served as Director of Business and Legal Affairs for Jordan Brand, where he managed endorsements and sports marketing strategy. Jordan Brand's clients include some of the top athletes in professional sports, including Ray Allen, Carmelo Anthony, Derek Jeter, Joe Johnson, Chris Paul and Dwyane Wade. From 2000 to 2003, Whitfield served as Director of Player Personnel and Assistant Legal Counsel for the Washington Wizards. While there, he was responsible for the team's salary cap administration, contractual issues and player scouting. He is widely credited with facilitating the methods to correct the team's troubled salary cap situation, enabling that franchise to rebuild through trades and free agency.

Whitfield served as Director of Player Development for Nike Basketball prior to joining the Wizards. At Nike Basketball, he was responsible for scouting new potential endorsers, negotiating endorsement contracts and overseeing business relationships for more than 150 NBA players. His career in sports began as a player agent representing professional athletes with F.A.M.E. as Director of the Carolinas Region, based in Greensboro. Before joining F.A.M.E., Whitfield established and managed a successful law practice in Greensboro.

A graduate of Campbell University, Whitfield was an all-south, team MVP and captain basketball player and was inducted into the school's Sports Hall of Fame in 1995. He earned a B.B.A. degree in economics and then completed his M.B.A. at Campbell in marketing while serving as assistant basketball coach for the Camels. From there, he earned a Juris Doctorate degree from North Carolina Central University School of Law where he served as Student Bar Association President.

Whitfield also formed HoopTee Charities, Inc, a North Carolina based non-profit corporation whose mission is to provide scholarships for disadvantaged youngsters to attend camps and other educational youth based programs throughout the Carolinas. In addition, for the past 27 years he has run the Achievements Unlimited Basketball School in Greensboro and Charlotte serving more than 9,000 kids, including many who attend on need-based scholarships.

Whitfield and his wife Mary reside in Charlotte.

## Curtis Polk

### Vice Chairman

Curtis Polk is the Vice Chairman of the Charlotte Bobcats. In addition, he manages the financial and business affairs of Michael Jordan and his related companies. Prior to working exclusively for Mr. Jordan in 2001, he was an Executive Vice President of SFX Sports and was President of its related financial services affiliate SFX Financial Advisory Management Enterprises. He founded Falk Associates Management Enterprises (FAME) with David Falk in 1992.

In May 1998, FAME merged with SFX Entertainment, the country's leading producer, promoter and presenter of live entertainment events. Polk was involved in the integration and consolidation of all the sports properties under the SFX Entertainment umbrella into a single business entity.

During the summer of 1996, Polk negotiated four of the five highest contracts in NBA history. He negotiated Alonzo Mourning's \$105 million contract with the Miami Heat and Dikembe Mutombo's \$56 million contract with the Atlanta Hawks. Polk was the key player in asserting Juwan Howard's rights during the contract dispute between the NBA and the Miami Heat; he subsequently negotiated Howard's \$105 million deal with the Washington Bullets. He assisted David Falk in negotiating Michael Jordan's record-setting contracts in 1996 and 1997.

Polk served as Co-Producer of Space Jam, starring Michael Jordan and the Looney Tunes. Space Jam, Warner Bros. first full-length film featuring the Looney Tunes, grossed a record-setting \$29.3 million during its opening weekend. Polk also was an Executive Producer of Michael Jordan to the Max, an IMAX format movie released in May 2000.

A 1981 graduate of the University of Maryland, Polk earned his law degree at the National Law Center at George Washington University in 1988 and served on the Center's Law Review. Polk was named to the Sporting News' "100 Most Powerful People in Sports" list in 1997 and 1998. He was also selected to the Sports Business Journal's "40 Under 40" in 1999.

The 51-year old Polk began his career as a Certified Public Accountant for Touche Ross and Co. in Washington, DC in 1983.

Polk and his wife, Amanda, are involved in many Washington charities including Johns Hopkins affiliate, Suburban Hospital, Kids Enjoy Exercise Now (KEEN) and DC Humane Society.

## Bill Duffy

In his current role, Duffy oversees the finance, human resources, legal, information technology and arena administration departments.

Duffy's career in the sports industry spans more than 23 years with experience at the franchise level in the NBA, NFL and NHL, as well as a stint in the NFL league office where he helped design and implement the league's salary cap.

Duffy entered the sports industry in 1988 as Treasurer of the Miami Dolphins and Robbie Stadium Corp. He spent six years with the Dolphins, before being named Director of Compliance for the NFL Management Council. He returned to the team side in 1996 as Vice President of Business Operations and Chief Financial Officer for the San Francisco 49ers, then moved to the Buffalo Bills in 1999 as Executive Vice President of Administration.

## Rod Higgins President of Basketball Operations

Rod Higgins was promoted to President of Basketball Operations on June 14, 2011, after four successful seasons the team's General Manager. Higgins, who initially joined the Bobcats as General Manager on May 31, 2007, brings more than 25 years of NBA experience as a player, coach and front office executive to Charlotte. Higgins manages and oversees all player personnel matters, including professional and collegiate scouting, draft preparations, training camp, preseason scheduling and the team's athletic training, equipment and conditioning programs. Among Higgins' accomplishments in his tenure with the Bobcats are the December 2008 acquisition of Boris Diaw, the February 2010 acquisition of Tyrus Thomas and the June 2011 acquisition of Corey Maggette and the draft rights to Bismack Biyombo, as well as the drafting of D.J. Augustin (2008), Gerald Henderson (2009) and Kemba Walker (2011).

Before joining the Bobcats, Higgins spent three seasons as General Manager of the Golden State Warriors. Prior to that, he spent three seasons as Assistant General Manager for the Washington Wizards, where he worked with Bobcats Chairman & CEO Michael Jordan, his one-time teammate with the Bulls. His responsibilities there included collaborating on all basketball decisions, including transactions and trades, and working with player personnel and scouting. Before moving to the front office with the Wizards, Higgins was an assistant coach from 1994-2000 with the Warriors.

In 13 seasons as an NBA player, Higgins averaged 9.0 points, 3.6 rebounds and 1.6 assists in 779 games spread between Golden State, Chicago, Seattle, San Antonio, New Jersey, Sacramento and Cleveland. Originally selected by the Bulls in the second round of the 1982 NBA Draft, Higgins appeared in 33 playoff games, averaging 7.9 points, 3.4 rebounds and 1.7 assists. He spent seven seasons with the Warriors, including playing the first five games of the 1994-95 campaign for the team before moving to the bench as an assistant coach on November 19, 1994. Higgins still ranks among the Warriors all-time leaders in free throw percentage (seventh), three-point field goals (eighth) and three-point field goal attempts (ninth), as well as among the franchise playoff leaders in three-point field goal attempts (fifth), three-point field goals (tied for sixth), free throw percentage (seventh), blocked shots (eighth) and steals (tenth).

Higgins played four years at Fresno State University (1978-82), where he led the Bulldogs in scoring in each of his last three seasons and guided the team to two PCAA Championships. A First Team All-Conference selection as both a junior and senior, he earned Honorable Mention All-America honors from both the Associated Press and The Sporting News as a senior.

Higgins and his wife, Concetta, have two sons, Rick and Cory. Rick works for the Bobcats as a basketball operations assistant and Cory was a three-time All-Big 12 guard at the University of Colorado before graduating in May 2011.

A native of Burma who immigrated to the United States with his family in 1968 when he was three years old, Cho became the first Asian-American general manager in American major league sports when he served as General Manager of the Portland Trail Blazers in 2010-11.

Prior to his stint in Portland, Cho spent the previous 10 seasons as Assistant General Manager of the Seattle SuperSonics/Oklahoma City Thunder. Cho entered the NBA as an intern with the SuperSonics in 1995 while earning a law degree from Pepperdine University School of Law. After serving as a part-time consultant for the SuperSonics in 1997, Cho was hired as the team's Director of Basketball Affairs in 1998 before being promoted to Assistant General Manager in 2000. A member of the Washington State Bar, Cho also served as Vice President of Legal for the SuperSonics from 2005-07 in addition to his duties as Assistant GM. Following the team's move to Oklahoma City, Cho also oversaw the Thunder's D-League affiliate, the Tulsa 66ers, and their run to the championship game in 2009-10.

Cho earned an engineering degree from Washington State University and worked as an engineer at Boeing in Seattle from 1989-94 before leaving to enroll at Pepperdine University School of Law in order to pursue his passion in professional sports. ## NBA CARES

NBA Cares is the league's global social responsibility program that builds on the NBA's long tradition of addressing important social issues. The NBA and its teams and players support a wide range of initiatives, programs and non-profit partners that strive to positively impact children and families around the world. As part of the league's mission to demonstrate leadership in social responsibility, NBA Cares reaches communities through philanthropy, hands-on service, and the creation of community legacy projects. Since the program's October 2005 launch, the league, its players, and its teams have donated more than \$165 million to charity, provided more than 1.7 million hours of hands-on service, and created more than 615 places where kids and families can live, learn, or play. NBA Cares reaches millions of children and adults through unique programs – including NBA/WNBA FIT and Basketball without Borders – that support education, youth and family development, and health and wellness. The league and its teams and players also promote environmental awareness and sustainability through NBA Green. During annual high-profile league events, including NBA All-Star and The Finals, NBA Cares initiates community outreach efforts to tap into the power of sport for positive social change. In addition, this year the league launched the NBA Cares Community Caravan, a year-round community and fan engagement program, through which the NBA family will reach more than 10,000 schools and community centers and touch the lives of more than 15 million fans. Thanks to strong partnerships with internationally recognized organizations – including KaBOOM!, Special Olympics, Boys & Girls Clubs of America, UNICEF, the Make-A-Wish Foundation, Global Business Coalition on HIV/AIDS, Tuberculosis and Malaria, and the UN Foundation – NBA Cares makes a positive and lasting impact in communities around the world. For more information about the NBA's latest community outreach efforts, please log on to: [www.nbacares.com](http://www.nbacares.com).

Welcome to the 2011-12 season of the Charlotte Bobcats! Please familiarize yourself with the following guidelines and policies in order to ensure a quality work environment. Feel free to contact the Bobcats basketball communications department with any questions regarding these policies or for any other inquiries.

### MEDIA PARKING

Media parking will be available in the lot at 501 East Trade Street (directly across Caldwell Street from the arena loading dock).

### MEDIA ENTRANCE

The media entrance will open 2 1/2 hours prior to game time. Working media should enter Time Warner Cable Arena from Fifth Street, east of the Presbyterian Hospital Training Center. Upon entry, media should proceed downstairs to the media work areas.

### PRESS ROOM

The press workrooms are located on the event level, near the locker rooms and interview room, and are open 2 1/2 hours before game time. Press room usage is limited to working media and game staff only. Telephones, wireless internet access, game notes, media guides, statistics, quotes and out-of-town scores are available in this area. Please use common courtesy in maintaining a quiet working environment in the press workrooms.

### SINGLE-GAME CREDENTIALS

Media members wishing to cover a single game must submit their requests at least 48 hours prior to the intended game. Requests for games on Sunday, Monday or Tuesday must be submitted by Noon on the preceding Friday. Single-game credentials will be issued on a space-available basis. First-time requests must be in written form on company letterhead and submitted to Josh Rosen by e-mail (jrosen@bobcats.com) or fax (704-688-7864). Requests from foreign and international media should be submitted to Rachel Walsh of the NBA international public relations department at rwalsh@nba.com and must be received at least three business days prior to the intended game. Credentials can be picked up at the media entrance of the arena 2 1/2 hours prior to tip-off. Photo identification will be required when picking up credentials at the media entrance. Applying for credentials does not guarantee confirmation.

### COACHES PREGAME & POSTGAME AVAILABILITY

Bobcats Head Coach Paul Silas will hold his pregame media session 90 minutes prior to tip-off outside the team's locker room for all home games, and he will conduct his postgame media session in the main interview room adjacent to the press workrooms. During postgame media sessions, priority must be given to those media on deadline (print and live broadcast), and interviews should be limited to game comments.

### LOCKER ROOM ACCESS

Both the Bobcats and visiting team's locker rooms are located down the hallway from each other and the press work area. In accordance with NBA policy, both locker rooms will be open 90 minutes prior and close 45 minutes prior to tip-off. Following the game, locker rooms will open after a 10-minute cooling-off period. Only credentialed media will be allowed in the locker rooms. Still photography and autographs are not permitted in the locker rooms. Cell phones are also prohibited in the locker rooms, both before and after games.

### PHOTOGRAPHERS

Season passes will be provided to accredited photographers from daily newspapers and television stations who cover the majority of Bobcats regular season home games. Photographers must be on assignment for a publication to be credentialed. No photography of any Bobcats game shall be released to any individual other than the entity for whom the pass was issued and subject to the rules governing such use as described on the reverse side of the credential. All photographers and TV cameramen must stay at least four feet behind the baseline at all times. Photographers must remain stationary and seated at all times, except at quarter breaks and halftime, and are not permitted on the court at any time during the game. Photographers are asked to keep courtside equipment to a minimum and leave all excess equipment and outside clothing in the small photo work room. Flashbulbs are not permitted at any time.

### RUBBER LENS SHADES

In order to reduce the risk of injury to players, rubber lens shades are required for all still photographers, broadcasters, news and entertainment video and film crews who are authorized to shoot NBA game action. Any additional light sources or sun guns must either be removed or covered with bubble wrap.

### SEATING

Home and visiting television positions will be on the main press table at courtside between the team benches. Radio positions are located in the upper center court section of 105. Writers will be located in section 105, below the radio broadcast position at center court. Additional seating is at the top of sections 107-112. A seating chart will be posted in the press room. The quarter play-by-play sheets and halftime and final box scores are distributed as quickly as possible to all locations.

### SHOOT AROUNDS

Shoot arounds will take place at Time Warner Cable Arena. All shoot arounds are closed to the media, with interviews following the shoot around period. Shoot around times are subject to change. Please call the basketball communications department for updated shoot around times.

### PRACTICE POLICY

The Bobcats practice at the Presbyterian Hospital Training Center at Time Warner Cable Arena. Practices are closed to the public but open to the media for the final 30 minutes. Players and coaches are available immediately following practice for interviews. Media will have access to the press work areas on the event level while waiting for media availability. Please contact the Bobcats basketball communications department to confirm practice times and the availability of the players and coaches. Evans, who initially joined the Bobcats as Public Relations Manager in March 2004, oversees the organization's basketball and business publicity efforts and is the primary liaison between the team and the local, national and international media. He is also responsible for day-to-day media operations and coordinates press conferences and interviews for the team's players, coaches and front office staff.

Evans was named Director of Media Services in May 2006 and took over the department, which was later changed to Basketball Communications, in December of that year.

Prior to joining the Bobcats, Evans spent two seasons as Assistant Director of Sports Media Relations with the Miami Heat and was the Media Relations Manager for the former NBA D-League affiliate Asheville Altitude during the league's inaugural season, managing all of the team's media relations functions.

Evans served as Assistant Commissioner for Media Relations at the Mid-Eastern Athletic Conference (MEAC) for three seasons and served as an NCAA Committee Representative for the NCAA Women's Basketball Tournament from 1999-2001. Additionally, his experience includes stints as Sports Information Director and Game Operations Manager at North Carolina A&T State University and at the University of Maryland-Eastern Shore. During the 1996 Centennial Olympic Games in Atlanta, he served as Tribune Manager at the inaugural beach volleyball venue.

Evans and his wife, Kyle, have one daughter, Bailey, born in September 2011.

On April 8, 2008, Bobcats Sports & Entertainment (BSE) announced a naming rights agreement had been reached with Time Warner Cable, in which the arena located in the heart of uptown Charlotte, North Carolina, was renamed Time Warner Cable Arena. Opened on October 21, 2005, with a sold-out performance by The Rolling Stones, Time Warner Cable Arena is home to the NBA's Charlotte Bobcats and AHL's Charlotte Checkers and will host almost 200 events in 2011-2012, including college and professional sports, major concerts and family shows.

Since opening its doors six years ago, Time Warner Cable Arena has played host to the biggest names in entertainment, including Bruce Springsteen, Bon Jovi, Paul McCartney, Aerosmith, Beyonce, U2, Lady Gaga, Taylor Swift, Prince, Billy Joel and Elton John. Over the years, Time Warner Cable Arena has also hosted multiple visits from family shows like the Ringling Bros. and Barnum & Bailey Circus, Disney on Ice, Monster Jam and the Harlem Globetrotters. College basketball has also quickly become a staple at the venue, with the CIAA, Southern Conference, ACC and NCAA all bringing their tournaments to the building, along with a bevy of regular season games. In 2011, the Jordan Brand Classic made the move from its former home in Madison Square Garden to Time Warner Cable Arena and will return in April 2012 to once again showcase the top high school players in the nation. In September 2012, Time Warner Cable Arena will proudly host the Democratic National Convention.

"Our goal is to make Time Warner Cable Arena the epicenter for sports and entertainment in the Carolinas," said BSE President and Chief Operating Officer Fred Whitfield. "We do that by attracting world class performances to this world class facility, and showcasing uptown Charlotte as one of the region's most vibrant and energetic destinations."

Designed to represent Charlotte's diverse urban culture as well as the city's strength and stability, Time Warner Cable Arena incorporates contemporary design elements that highlight a focus on creating an exciting future for the Queen City's residents. Fans and visitors alike find familiar reflections of their community in the form of public art and unique displays which pay tribute to the region's rich sports and commercial history.

BSE, which operates the city-owned building, set out to "wow" the community by providing a unique experience for guests while treating them to a superior level of amenities. The arena's most distinctive element is the 38-foot high, 36-foot wide, 80,000-pound scoreboard, created by Spurgeon Design Group and manufactured by Daktronics, which features a three-dimensional, backlit Charlotte city skyline that sits atop the center-hung display. The skyline "comes to life" through a 360-degree projection system that allows the sky to change at the touch of a button.

One of the arena's most unique attractions is Rock the Rooftop, a fan zone located on the Uptown Concourse. With an open view of the lower bowl, Rock the Rooftop provides the ultimate setting for indoor tailgating, complete with concessions, an interactive kids area and a 35-foot water tower that features a theatrically lit stage.

Ticket holder comfort is the hallmark of the Time Warner Cable Arena experience. The arena features 60 percent of its seating from baseline to baseline, providing guests with a unique feeling of closeness to the court, stage or ice. Generous seating and legroom is standard in every seat, and seating configurations for Time Warner Cable Arena were developed by incorporating the best elements from other NBA and NHL facilities.

Food is important to providing an emotionally engaging experience for guests, and highly regarded Charlotte food consultant John Sergi and Levy Restaurants prepare all the food offerings at Time Warner Cable Arena. Guests enjoy incredibly diverse menus with something for everyone, from fan favorites at general concessions and to the unexpected in Frontcourt, the arena's fine-dining restaurant. Pre-planned catering for business events or entertaining is also available, demonstrating again that Time Warner Cable Arena is committed to providing its guests with the best, regardless of where they are in the building.

Indoors or out, patrons of Time Warner Cable Arena are reminded of Charlotte's rise as a world class city. The outdoor Trade Street plaza features a large video screen to see coming attractions, a sizeable entertainment stage and access to the fully appointed Team Store where fans can purchase team apparel and gifts. As guests enter the four-story atrium located off the plaza, they are greeted by one part of the arena's major public art projects: a large colored-tile mural by artist Mike Mandel depicting the history of basketball in the Piedmont. Additional pieces of public art are located both inside and outside the building, and include the four lighted entry columns on Trade Street by artist Andrew Leicester, the main lobby's colorful terrazzo floor created by Thomas Sayre, photographic murals by local artist Tommie Robinson and three outdoor carved granite benches by Paul J. Sires.
